# Barcode catalog

As a leading manufacturer of serialized, barcoded unit dose oral solid, oral liquid, and inhalation medications, we rigorously support patient safety and pharmacy efficiency initiatives with our growing product formulary. AHP's product catalog is an easy way to reference our full portfolio of nearly 600 SKUs available nationwide through partner GPOs and wholesalers.

AHP's reputation for quality is supported by more than 30 years of broad manufacturing expertise. Our FDA-registered facility fully adheres to current good manufacturing practices guidelines and is licensed by the Drug Enforcement Administration to package Schedule II to V controlled substances.

Following years of success and leadership in the production of unit dose oral solids, AHP expanded its offering in 2017 to include liquid unit dose cups.

**Liquid unit dose products come in multiple pack sizes to provide flexibility in managing local inventory and feature:**

- Pull-tab labels that promote easier opening and product administration
- Thick-gauge cups with excellent label seal integrity that aid in avoiding costly damage and cleanup
- Easily legible labels that aid in selecting correct products from the pharmacy shelf
- Cups and storage trays designed to optimize limited storage space

**In 2019, we began offering unit dose inhalant products that feature:**

- Individually wrapped and barcoded vials that support effective inventory management while mitigating waste
- Right-sized cartons and pouches suited for limited storage space
- Four available inhalation SKUs

## Questions?

Our team is always ready to provide expert support. For any questions about our products, contact us at **800.707.4621** or **CustomerSupport@americanhealthpackaging.com**. Frequently Asked Questions are also available for your reference on **[www.americanhealthpackaging.com/faqs](http://www.americanhealthpackaging.com/faqs)**.

Return goods  
policy

**SECTION 1 – CONCEALED DAMAGED PRODUCT**

- 1.1 A Returned Goods Authorization (RGA) is required for all product returns.
- 1.2 All Concealed Damaged Product must be reported to Customer Support within **5 business days** of delivery (even when an automated fax is processed as a contact must be provided for the return authorization and call tag to be issued) at 877-302-7495 or by email to: CustomerSupport@americanhealthpackaging.com
- 1.3 No deductions shall be taken until a Returned Goods Authorization has been processed referencing the purchase order number as the debit memo and the product has been received by American Health Packaging, inspected and processed under the RGA issued.
- 1.4 Concealed Damaged product must be returned to:
  - American Health Packaging
  - Attn: Receiving Department
  - 2550 John Glenn Ave – Suite A
  - Columbus, Ohio 43217
- 1.5 All freight/postage charges will be pre-paid by American Health Packaging to return concealed damaged product.

**SECTION 2 – REFUSED DAMAGED PRODUCT**

- 2.1 All Refused Damage Product must be reported to Customer Support **immediately upon delivery refusal** at 877-302-7495 or by email to: CustomerSupport@americanhealthpackaging.com for a Returned Goods Authorization (RGA) to be processed.
- 2.2 No deductions shall be taken until a Returned Goods Authorization has been processed referencing the purchase order number as the debit memo and product has been received by American Health Packaging, inspected and processed under the RGA issued.

**SECTION 3 – SHIPPING ERRORS AND SHORTAGE CLAIMS**

- 3.1 All product received OR not received due to a shipping error must be reported to Customer Support **immediately upon delivery or failure** of delivery at 877-302-7495 or by email to: CustomerSupport@americanhealthpackaging.com Failure to report any discrepancies will result in no credit issued.
- 3.2 All freight/postage charges will be pre-paid by American Health Packaging to return product due to a shipping error. Shortage Claims will be investigated before credit is issued.

**SECTION 4 – RECALLED PRODUCT RETURNS**

Recalled product returns are required to be processed according to the recall notice that is issued on the product and credit will only be issued if product is returned by the required date on the recall notice. No recalled product shall be submitted to a Third Party Return Company as an outdated product. No credit will be issued if the recall notice has not been followed as required.

**SECTION 5 – OUTDATED PRODUCT RETURNS**

American Health Packaging requires **ALL** outdated product returns to be submitted to your Third Party Return Company and must meet our Returnable Merchandise Requirements in section 5.1 for credit to be considered. Your Third Party Return Company must submit a debit memo by email to our Customer Support team at:

- CustomerSupport@americanhealthpackaging.com for authorization to destroy the product. All debit memos must include the following information:
- A. Debit memo reference number
  - B. Wholesaler name, address, telephone number and DEA number.
  - C. Complete product description to include NDC number,

Lot number, expire date and quantity of product.  
(No credit will be issued without the complete product description listed on the debit memo).

Once authorization to destroy the product has been given, American Health Packaging will require a proof of destruction notice from the Third Party Return Company **before** any credit will be issued to your account. Proof of destruction should be sent to the following: ar@americanhealthpackaging.com and CustomerSupport@americanhealthpackaging.com

All freight/postage charges to return products to the Third Party Return Company are to be prepaid by the customer and it is recommended that customers insure all returns.

- 5.1 **Returnable Merchandise** – In order for product to be qualified as returnable, it must meet all of the following criteria:
  - A. The product must have at least 6 months remaining shelf life, but not be more than 12 months past expiration date.
  - B. Product must be packaged by American Health Packaging (AHP) and be in full, unopened packages/containers.
  - C. Product must be in the original containers.
  - D. Returnable Products include Unit Dose and Unit of Use.
- 5.2 **Non-Returnable Merchandise** – All product not specifically identified in Section 5.1 above, are non-returnable items.
- 5.3 The following list of non-returnable considerations and non-returnable merchandise is for example only, and shall not be considered as an all-inclusive list.
  - A. Unauthorized product returns
  - B. Product with more than 6 months expiration dating remaining
  - C. Product beyond 12 months expiration dating
  - D. Product which has deteriorated because of its inherent characteristics or a result of improper storage or damaged by fire, smoke, water or other influences beyond AHP's control
  - E. Product involved in sacrifice, fire or bankruptcy sales
  - F. Product sold on a non-returnable basis
  - G. Adulterated product
  - H. Partial packages
  - I. Ready to dispense Robot Pouches (APS)
  - J. Scan a dose
  - K. AHP will not accept any opened or unopened package returns taken back by the distributor from their customers.

**SECTION 6 – TERMS OF RETURN POLICY**

- 6.1 Returns will be credited at the calculated net purchase price or net current price, whichever is lower.
- 6.2 Authorized returns of in-dated products (12 months or greater remaining shelf life) will receive credit equivalent to 75% of the estimated return value. A PDMA statement is required to be signed for all in-dated products to be returned.
- 6.3 Customer will receive credit for all returns – there will be no cash settlement.
- 6.4 American Health Packaging reserves the right to deny or limit credit for product returned in conditions other than acceptable.

Barcode scanning  
guide

Before beginning to test your scanner for barcode reading ability, please ensure your scanner's hardware and software has been updated to read the GS1 Databar and 2D microPDF417 code.

### Test your scanner\*

If your scanner does not display any numbers or fails to beep, contact your scanner supplier. Your scanner is not enabled to read the GS1 Databar Limited symbol set or the 2D microPDF barcode symbol.

Scan the image below to test your scanner:

The scanner display should show:

0100368084703010

The scanner display should show:

01003680847031191717022810123456A

### No product found!\*

If the scanner has been enabled to read GS1 Databar Limited, and the product does not appear in the database when it is scanned, contact your product information supplier to troubleshoot.

### Barcode quality\*

Potential packaging defects:

- Smearred
- Smudged
- Faded
- Crosses the perforation

Please contact AHP Customer Service at **1-800-707-4621** or <https://www.americanhealthpackaging.com/contact-us-landing-page>

### The Barcode symbols

Carton linear	Carton 2D	Blister
GS1 Databar Limited	GS1 Datamatrix	Component/ Composite with linear GS1 Databar Limited and 2D microPDF417

### What is a GTIN?

GTIN is an acronym for Global Trade Identification Number and is a 14-digit number. The GS1 assigns a prefix to a registered company which is used to create an item number. For drug products, the prefix includes the FDA assigned labeler code:

GS1 prefix	NDC labeler code	GS1 prefix	NDC labeler code
00360687	60687	00368000	68000
00368084	60684	00368002	68002
00362584	62584		

AHP's product catalog includes Dietary Supplements. For these products, the GS1 has assigned a UPC-style prefix. AHP has the following GS1 assigned non-drug prefixes:

GS1 prefix	AHP ID prefix	GS1 prefix	AHP ID prefix
00858526005	58526	0814301020	14301

If your product database does not allow the storage of the 14-digit GTIN, programming will be required by your product data provider to extract the NDC or AHP ID from the GTIN. The format of the three-segmented numbers are as follows:

10-Digit NDC	11-Digit NDC	11-Digit AHP ID
5-3-2	5-4-2	5-4-2

### What does the data reference mean

The encoded data follows GS1 specifications. There are two-digit Application Identifiers (AIs) that that will help GS1 compliant systems identify the information being read. AHP uses the following AI codes:

GTIN (14-digit)	Exp date (YYMMDD)	Lot number (6 to 14 digits)	Serial number (1 to 12 digits)
01	17	10	21

\*For further concerns or general questions you may always contact your AHP key Account Manager

# Quality barcoded products that hit the mark

**AHP unit dose simplifies one of the most complex part of your job—reliably obtaining ready to dispense medications in a format that promotes positive outcomes for your patients.**
